All platter items are made freshly on the day of your buffet, it's a great help if we can have 24 hours notice of your requirements, but we will endeavour to deliver your required buffet regardless of the notice period, however some items may be substituted due to availability.

We happily supply plates and napkins but as part of our efforts to be greener we will only send cutlery on request or where stated on the menu.

Also we ask that you either return the platters back to us or keep them until our next delivery to you so that we may recycle them.
